THURSDAY, MAY 17, 1951.

VOL. 45. NO. 27

Around
the Square

We understand the baseball school now has a total enrollment of 65 youngsters. Not bad for a town where recreation is "de-emphasized."

Joe Hinojos has added this "memo" of his own in answer to our comment on his beard last week: "There is a small town just east of Sierra Madre that currently is having a celebration and beard contest. Just thought you ought to know."

OK, Joe, Ok. You win.

Be sure to vote tomorrow. Remember that in some countries, elections with only one candidate are the rule, not the exception.

One of the traditions of the Sierra Madre Garden Club is to wear a flower at each meeting. At the Monday night dinner meeting Mrs. Elizabeth Deitz wore a rose, picked from a bush her husband bought for her in Monrovia 50 years ago.

LOST-AND-FOUND-DEPARTMENT: Turned in at the NEWS office recently were a sorority pin, bearing the etched initials, "NG," and a Job's Daughter pin. Won't someone come in and identify them?

Here's your chance to meet the candidates in Pasadena's School Board election. Be at the school Tuesday night and make your choices.

Staff people at the new Sierra Madre Hospital won't have any trouble remembering their phone number. Nor are they likely to forget when the hospital was founded. The number—with a Custer 5- prefix, of course—is 1951.

Dr. Woehler
Honored by
Dental Society

Dr. J. L. Woehler, Sierra Madre dentist, was honored by Southern California dentists at the annual field day meeting of the Los Angeles County Dental Society, held Monday at the Altadena Country Club.

In recognition of his outstanding work in the field of dentistry, Dr. Woehler was awarded the Silver Plaque. The accompanying inscription states: "With the affection and appreciation of his fellow members in recognition of many years' service to his profession—the Second District Dental Society."

A graduate of the University of Southern California College of Dentistry in 1925, Dr. Woehler is now head of the economics post graduate department of the dental college at USC and is active in dental educational development. He also is on the staffs of Pasadena City College and John Muir College.

'PEACE, TRANQUILITY DISTURBED'

Hits 'Horde of Vendors'

A complaint that the "peace and tranquility" of Sierra Madre is being "encroached upon and desecrated by a horde of vendors" was referred to Chief of Police Gordon G. McMillan by the City Council Thursday night.

In a letter to the Council, James R. Price, 246 E. Montecito, declared that the vendors "comb our streets from morning until late evening, accompanied by blatant whistles, horns, and serenading devices."

"The most noxious of these vendors," Mr. Price testified, "is the Good Humor Man, or of late, the Good Humor Woman..." He complained that "she persists in peddling her wares until late in the evening, as late as 9:30 p. m. on Sunday, and never under 8:30 p. m. on the week nights."

Councilman Noren Eaton said the whole thing was "a matter of opinion."

"My 13-year-old daughter would say the sound of an ice cream vendor approaching is the best music in the world, outside of the New York Philharmonic," he pointed out.

If an ordinance is being violated, however, it is a police matter, Mr. Eaton stated. He moved that the complaint be referred to Chief McMillan.

Councilman Henry Korsmeier remarked that he thinks the vendor's chimes have one sour note and that the ordinance should have a provision ordering that they be tuned periodically.

"If you like ice cream, you don't notice that," replied Mr. Eaton.

READY FOR their first public performance this evening, members of the Sierra Madre Elementary School Orchestra take long enough to pose with their director, Mrs. Matilda Smith (standing at rear), the P.T.A. meeting tonight. Youthful musicians are (first row, left to right) Joel Butler, Samuel McDonald, Lynn Mack, Stephen Perloff, Philip Yasskin, Philip Jacobs; (second row) Sonja Lindquist, Eleanor White, Jon Butah, Edwin Ower, Richard Johnson, David Raphael, William Galloway, Robert Strieter, Raymond Valdez, William Bowling; (top row) Marshall Metzger, Dennis Wilson, Michael Childers, Kenneth Bush, and Ruel Olson.

Boy Scouts Await
Annual Camporee

Sierra Madre Boy Scouts were preparing to day for their annual Camporee, to be held this weekend, Saturday and Sunday, at the Youth Hut grounds.

A rigid calendar of events is ready for the Scouts who will "pitch camp" early Saturday afternoon after marching through town with full packs.

Through out the Camporee, Scouts will be graded on various phases of Scoutcraft. Boys will be judged on their cleanliness, sense of fair play, sportsmanship, cooking, and the ability to set up camp.

All troops will leave the city park at 1 p. m. Saturday, arriving at the Youth Hut at 1:30 to pitch tents and assemble their exhibits.

Parents and everyone interested in scouting are invited to attend the Camporee and see the contests, demonstrations, and exhibits. A special campfire program is planned for 8 p. m.

Reveille Sunday morning will be at 6:30 a. m., with church services scheduled for 8:30. Throughout the rest of the morning, safety, woodcarving, and signaling demonstrations will be conducted.

At 2 p. m., the new stone bench, made by Senior Scouts of Sierra Madre, will be dedicated.

Marshall Band
To March in
Parade Here

John Marshall Junior High School will form the nucleus for Sierra Madre's Memorial Day parade Wednesday, May 30.

Francis Eakman, parade chairman, said Charles C. Chase, director of the 120-piece band, accepted Sierra Madre's invitation to take part this week. The band won first place honors in the district music festival this year and then went on to take second place in the state-wide festival competitions.

The parade will begin at 10 a. m. at the city park, marching east to the cemetery where the traditional Memorial Day services will be conducted.

Mr. Eakman said all veterans groups and auxiliaries, Boy and Girl Scouts, Camp Fire Girls, and pupils from the three Sierra Madre schools are being asked to march in the parade. The local company of the California Defense and Security Corps will be one of the military units in the parade.

Besides organized groups, the chairman said all veterans are invited to march in the parade. Formation time has been set at 9 a. m.

Search Parties
Comb Area for
Bill Corbett

A group of six or seven Sierra Madreans searcher all day yesterday for Bill Corbett, missing for more than a month somewhere in Kern County.

Mr. Corbett, 66-year-old Sierra Madre pensioner, employed as a caretaker at Ira Fox's gold mine near Mojave, vanished from the mine a month ago this week. Sheriff's deputies and homicide squad details have been combing the area ever since for traces of the man.

Mr. Fox, local barber, reports that police found Mr. Corbett's groceries and wallet in his shack at the mine. Local men who accompanied Mr. Fox as a searching party yesterday included Fred LaLone, Larry Shepherd, Andy Liscomb, and Murdo McIvor.

City School

A pot-luck dinner, installation of officers, and music by the City School Orchestra will feature this evening's final Parent-Teacher Association meeting of the year.

Following the meal, families will go to the auditorium where the orchestra, under the direction of Mrs. Matilda Smith, music teacher, will present a 45-minute concert.

Mrs. Gladys Carter will install the new officers according to Mrs. Charles James, retiring president, it is planned that the meeting will adjourn by 8:30 p. m.

The School Orchestra will play five religious and secular numbers: "America," "Caravan," "Indian Chief," "Springtime Waltz," and "Progress March." In addition, several solos and duets will feature the concert.

Orchestra soloists are Alice Dickerman, pianist; Philip Jacobs, clarinetist; and Kenneth Bush, saxophonist, Edwin Ower, trumpeter; Joel Butler, fulist; and Lynn Mack, violinist.

NEWS TO RAISE
COUNTER PRICE

Effective next Thursday, May 24, over-the-counter and newsstand price of the NEWS will be raised from 5 cents to 7 cents a copy.

The increase is made necessary because of rising costs. Subscription rates of the NEWS will remain the same, however, \$2.50 a year.

Business Specialist to Speak
At First Chamber Luncheon

Sierra Madre's Chamber of Commerce will hold its first of a new series of luncheon meetings at noon next Thursday, May 24, at Pal-Mur's Cafe.

Speaker for the meeting will be Walter E. Eliason, business specialist of the U. S. Department of Commerce.

Mr. Eliason said that the principle that "no business decision is better than the facts on which it is based" is a principle that applies to small businesses as well as large.

Getting essential fact into the hands of businessmen in Southern California and Arizona is a more-than-full-time job with him. He not only dispenses economic information daily through the staff of business specialists at the Department of Commerce Los Angeles headquarters, but he takes it to the public directly by appearing before meetings and business conferences. NO ONE WANTS
TO RUN POOL

No one wants to operate Sierra Madre's Canyon Swimming Pool this summer.

At least there were no private bidders for the contract at last Thursday night's meeting of the City Council.

Mayor William A. Kinney instructed Councilman Alexander Black to "keep working on it" and try to find an operator.

"If we can't get an outside person to run the pool—a private contractor—then we'll have to get an 'inside person,'" said Mr. Black, meaning that the city might have to operate the pool again this year.

Trees Hinder
Bus Traffic,
PE Avers

A complaint of Pacific Electric Railway Company that some of the trees on Sierra Madre boulevard interfere with bus traffic was referred to Director of Public Works Glen Watson last week.

PE contended that trees overhang the street at Sunnyside and Mariposa and interfere with the free progress of its busses. Mr. Watson pointed out that a bus struck one of the trees recently, ripping out part of the roof.

City Attorney T. Guy Cornyn, said it is the city's responsibility to keep the streets free for traffic, and PE indicates that a danger exists.

"At the same time, however, the city should not be concerned with creating a bus stop for PE," he added. "The busses don't hit trees while proceeding down Sierra Madre boulevard—it happens when they pull into the curb."

Councilman Noren Eaton said he had seen the tree in question and don't think it constitutes a hazard. On his motion the Council referred the matter to the city engineer.

PRECINCTS CONSOLIDATED
FOR ELECTION TOMORROW

Sierra Madre voters will go to the polls tomorrow, May 18, to elect a member of the City School District Board of Trustees.

All city and school precincts have been consolidated for the election, and the only balloting place will be at the City School, 141 W. Highland. Polls will be open from 7 a. m. to 7 p. m.

Running unopposed for the seat on the Board is Dr. Milton Valois, dentist and resident prominent in civic affairs.

There have been no indications of a "write-in" candidate making a bid for the office.

School Superintendent Charles A. Skutt said yesterday he hopes there is a large vote Friday even though there is only one candidate.

"I would hate to see any man elected to public office by only 50 or 100 votes," said Mr. Skutt. "And I'm sure Dr. Valois will agree with this point of view. Let's go to the polls and give him an enthusiastic endorsement."

The election is to fill the seat vacated by E. Waldo Ward, Board chairman for more than a dozen years and a member for nearly 19 years. Mr. Ward announced last month that he was "stepping down for a younger man."

Active in the Sierra Madre Kiwanis Club, Dr. Valois is 1951 chairman of the group. He served as chairman of the 1950 Community Fund Drive sponsored by the Kiwanis Club.

The candidate is scheduled to appear briefly at this evening's meeting of the Parent-Teacher Association.

PASADENA SCHOOL BOARD
CANDIDATES TO SPEAK HERE

Sierra Madreans may hear and question candidates for the Pasadena City School Board at a public meeting next Tuesday, May 22, at the Sierra Madre City School auditorium.

The six candidates for the two vacancies on the Board, plus any who file before the meeting here, will be given equal time to state their qualifications and educational policies. Residents then will have an opportunity to question the candidates.

The public meeting, which starts at 8:15 p. m., is being sponsored by the Pasadena Candidates Organization Committee. Information also will be given on the Pasadena elementary school district 32-cent tax-rate increase proposal.

"In the interest of a non-partisan process for conducting the meeting," said Mrs. Douglas S. Jardine, chairman of the committee, "speeches on behalf of specific candidates by others will not be allowed. Attention will be devoted to the clearing of all issues by the statement, question, and answer process," she said.

With just five days left in which to file for the June 1 election, candidates so far are Laurel V. McElwain, 43-year-old mechanic, previously a teacher in North Dakota; Mrs. Earl Cranston, 53-year-old housewife, church and civic worker, and the wife of the dean of religion at USC; Dr. Ray E. Untereiner, 53-year-old professor of economics and part time dean at Caltech; John H. Poole, 37, attorney; and W. Harry Comber, retired police officer, and Zygmunt Wisliewski, 45, machinist.

WARDENS TO SEE
A-BOMB MOVIE
THIS EVENING

All Sierra Madre block wardens are urged to attend a special showing tonight, May 17, of the film, "You Can Beat the A-Bomb."

The picture will be shown at 8 o'clock at the City Hall.

Mayor William A. Kinney also asks citizens who have applied for warden posts but have not yet been appointed to attend the meeting.

The movie is being presented by the Sierra Madre Civil Defense Council, through the courtesy of Al Foxton, Chevron Service Station operator.

Dr. Valois
Issues School
Statement

Dr. Milton W. Valois, candidate for the City School Board of Trustees, issued the following statement yesterday:

"The position of a school board member is one of public trust and responsibility. It is his duty to rise above partisanship and to keep in mind that he represents at all times the entire community and that the schools are being maintained for the benefit of the whole public and not for any group or portion. He must at all times strive to maintain public confidence in the Board, in the teachers and the work being done by the schools."

This summarizes a part of the Code of Ethics for school board members in the State of California. As a prospective Board member, I will strive to

Dr. Cleland
To Address
City Historians

Dr. Robert Glass Cleland, historian at the Huntington Library and a former dean at Occidental College, will be guest speaker at the annual meeting of the Sierra Madre Historical Society Saturday, May 19.

C. W. Jones, president of the society, said the meeting will be held at the home of Miss Martha Pritchard, 121 E. Alegria, beginning at 2 p. m.

Besides hearing Dr. Cleland, society members will elect officers for the year and hear reports of the year just completed. One of the reports will concern "The Annals of Early Sierra Madre," book published last fall by the local historians.

A prominent historian and scholar, Dr. Cleland is a member of the American Historical Association, the Southern California Historical Society, Zambors and Sunset Clubs.

The author of six books, the speaker has written "The Cattle of 1000 Hills," "History of California," "Mexican Year Book," "Southern California—1850-1870," "California Path Finders," and "100 Years of Monroe Doctrine."

Councilmen Deny Plea
For Garbage Rate Hike

By a 3-to-1 vote Mrs. Martha Matoian, city garbage and tin can contractor, was refused her rate increase request by the City Council last week.

Mrs. Matoian, who now is paid 22 cents per meter, a month, says she has been operating at a loss for several months. She had indicated that a rate hike of 6 cents a meter would put her "in the black" again.

Sharp words were exchanged—both inside and outside the Council—as the roll-call vote passed Councilman Noren Eaton's motion to deny the rate increase.

Mayor William A. Kinney, the one dissenting voter, declared:

"I hope you (the rest of the Councilmen) realize what responsibility is now ours."

Chiding what he termed "a lecture" by the mayor, Mr. Eaton stormily retorted, "I realize

what I've done fully, Mr. Kinney."

Mr. Kinney said the refusal to raise the rate may mean "irregularities in the service, a possible health menace, and garbage sitting around on Saturdays and Sundays."

"I don't want to be chasing garbage trucks around on Saturdays," he commented testily. The two men, however, quickly apologized for the stormy exchange of words.

In making the motion to deny the raise, Mr. Eaton

'Sen. Fishface' Cheers Ward Of Patients

Three Sierra Madreans went out to Olive View Sanitarium again Friday night and entertained a ward of young women tuberculosis patients.

Accompanying the local residents was Elmore Vincent, formerly "Grandpa Peabody" of the Lum 'n Abner radio show and now a banquet entertainer known as "Senator Fishface."

The "senator" presented a discourse on his political "views" and gave a pantomime sketch using recordings as a background.

Led by Mrs. Marjorie Rizzo, the other members of the party were Mrs. Wilma Rowe, and Mrs. Rizzo's son, Jack Denning. Flowers were donated by Mrs. Dorothy Siefert and Mr. and Mrs. Sid Westfall.

Mrs. Rizzo said three other residents also made the trip to Ward 112 on May 4. They were Mrs. Oleta de Campo, Mrs. Badger and daughter, Yvonne, of Fairview avenue.

Barber Shoppers Sing Here for Community Dance

A group of "barber shoppers" (all members of the Arcadia Chapter of the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America, Inc.) presented their version of some of "the old songs" during the Pioneer Days festivities here last Wednesday night.

The singers, approximately 16 of them, appeared at the dance under the direction of John Venderbur, well-known barber and barber-shopper from Arcadia. They sang first two versions of "America," which was followed by the society's theme song, "The Old Songs," and rounded out their program with such melodies as "Coney Island Babe," "After Dark," and "I Love the Way You Roll Your Eyes."

Joe Wilson, society president, said during one of the intermissions that the group is seeking additional members. It meets Wednesday nights at the Holly Avenue School.

Speaker Outlines Chinchilla Raising

Highlights of chinchilla raising were given members of the Sierra Madre Kiwanis Club at their Tuesday noon luncheon.

Mr. Rice, who has addressed numerous service clubs in Southern California, told how the first 11 chinchillas were brought to this country in 1923 from their original home in Peru. From this basic stock came the present industry which includes approximately 25,000 breeding pairs.

FIRE FLAMES

An interesting test was made drill night to learn how many of the busy fire fighters were aware of the many and fast changes that are confronting us. A well-known street was chosen for an unexpected call, but because it is not a through street, a new house number was called. As was expected, confusion reigned for a spell, until the correct end of the street was determined.

We shall long remember that particular house number is NOT located east of Canon Avenue. It afforded the Chief an opportunity to say, "I told you so."

Have you read this? "The surtax on any amount of surtax net income not shown in the table is computed by adding to the surtax for the largest amount shown which is less than the income, the surtax upon the excess over the amount at the rate indicated in the table." Where?

Abe Lincoln once said about a fellow lawyer, "He can compress the most words into the smallest ideas of any man I ever met."

Following the regular drill, a goodly portion of the members attended the business session. Most of these were of the younger element and the seniors were missed. It has become necessary that all fire fighters who expect to take part in the protection of the city, attend drills and meetings. There is not enough time given to drills, so it leaves no space for absences.

It is hereby requested of those who insist they must do some open burning, that they get in touch with the fire department NOW. A little later will be too late. We cannot chance open burning after the fields become hazardous with dry weeds and light grass.

Our nearby mountain sides are a permanent source of danger, even though they may appear green and damp, there

More Prizes Announced for Pioneer Days

Additional prizes donated by merchants for youngsters during the Pioneer Days celebration last week were announced today by Larry McGinnis, co-chairman.

Games and contest prizes included: a casting rod and landing net, Nuetzel's Shell Service; league baseball, VFW; roller skates, Club 60; four official softballs, Driftwood Dairy; candy, Hillcrest Dairy; football and game, Garland's Drygoods; flashlight, Foxton's Chevron Service; pair of moccasins, Tiny's Shoe Store; pair leisure socks, Ralph's Family Shoe Store; and a dog leash, Scalzo's Pet Shop.

always is that dry deadwood underneath. We only ask that you be considerate and speak of the danger with your neighbors.

Our sage came forth with another good one when he said, "I believe in love at first sight, alright, but I believe in taking a second look." And a fellow by the name of LIVY remarked one time, "Avarice and luxury, those pests which have ever been the ruin of every great State." We are getting kinda' soft.

It must be noticed that houses being built are mostly of wood and are located close to another of the same. That means that when fire strikes—there is good chances of fire spreading. We will miss the open lots that once were ours throughout the city.

We can't escape the threat of fire. There always will be one of us who will forget or get careless. It will pay all of us to do our level best to think of the dangers of fire every time we happen across anything that is a fire menace. Materials that will burn may appear safe enough, but when fire reaches them, they add to the fire. And it goes without saying, that's hot.

A little boy asked Bob Newbery if the horn blew for the fire and Bob answered, "No, sonny, we already have the fire, it's blowing for the water." Jimmie Tyler appeared with cuts all over his face and was asked if his razor failed to take hold.

"Yeah, it took hold alright, but the darn thing wouldn't let go."

We are now entering the month of May, to be followed very closely by the dry season. Remember the oath and abide by doing everything within your power to keep the FIRES OUT.

ONE IS QUEEN—One of these four contestants was to be named Queen of the Monrovia Days celebration last night. Besides reigning over the 5-day event, the Queen will win a vacation trip to Mexico. Candidates' names from top to bottom are Charleen Noyer, Elks Club; Genie Colbert, Rotary Club; Harriet Heisler, Job's Daughters; and Susan Vogel, Exchange Club.

City 'Has No Objection' to Club's Sale

The City "has no objection" if the Community Friendship Club conducts its fifth annual sale at the Parkhouse next October 1.

After hearing a letter from the club asking permission to conduct a sale on city-owned property, Councilman Noren Eaton pointed out that if the Council formally gave approval it might obligate the club to take out a license.

"Instead," Mr. Eaton suggested, "let's just say the city has no objection to the sale."

Corporal Hitchcock Selected Guam 'Airman of Month'

AN EDITORIAL...

We missed Pioneer Days this year—the preparations, the costumes, the tomfoolery and the genuine fun. All it amounted to was a carnival, at best.

We believe that Pioneer Days have a definite value to Sierra Madre for numerous reasons:

FIRST, it fosters our home town spirit of pride and co-operation.

SECONDLY, there's nothing that thrills the hearts of our youngsters like an old fashioned parade and shindig.

AND, it can also serve as a long range money raising plan for some needed civic improvement such as a new swimming pool.

IT IS good for us to let off a "bit of steam" in these trying times, to meet our friends and neighbors once a year on a different plane and show our newcomers that Sierra Madre is a friendly town in which to live.

LASTLY, Don't forget that Pioneer Days give our merchants a chance to show our neighbors, and ourselves, too, for that matter that Sierra Madre is a good place to shop. Many of us often forget that a good business district is a city's most valuable asset, and our Sierra Madre merchants deserve our best support.

So, we propose that next year, all of us, individuals and organizations, join in and bring back Pioneer Days bigger and better than ever as a real community enterprise.

'FORM DIVINE' BOOK MAY SHATTER YOUR ILLUSIONS

BY ISABEL STRADLEY

"Form Divine," by Hildegard Dolson.

Do you shudder when you see scales? Do you ever yearn to play a game of marbles with your toes? Tove you ever been curious as to what goes on between "before and after" in the pictured advertisements of the various beauty salons? Then this is your book!

Lucilla Webb, middle-aged matron, with certain vague feelings of unrest, joins a class at the Beautiful You salon, and as you suffer with her you may have your illusions shattered! This is a hilarious yarn, but it is also informative! The author has the same nimble, tongue-in-cheek wit she displayed in her novel, "The Husband who Ran Away," published two years ago.

"Neither Five Nor Three," by Helen MacInnes.

This is the story of a girl who gradually discovers that the man she loves has another secret life in which he betrays our country. The scene is laid in New York, but it could have been set in any free city of the Western world today.

The plot, lively and exciting, concerns a group of intelligent, well-intentioned people who create, edit and publish an influential, popular magazine. They suddenly wake up to find that their magazine has been infiltrated with party members and fellow travellers. Its columns have been used cleverly and subtly to disparage

everything American.

This is an excellent book of its kind, better than most with similar themes. The author has superior talent in delineating places and peoples. In its suspense it equals "Above Suspicion," Miss MacInnes' first great success.

Other new books at the library are:

Non-fiction: Florence Nightingale, Woodham; Rommel, the Desert Fox, Young; Here I Stand, Life of Martin Luther, Bainton; A King's Story, Duke of Windsor; Seven decisions that Shaped History, Welles; Eleven Years in a Soviet Prison Camp, Lipper; Tall Ships to Cathay, Augur; Human Use of Human Beings, Wiener; Presidents Who Have Known Me, Allen; My Six Convicts, Wilson; Ornamental American Shrubs, Van Dersal; Time for Tapioca, Striker; Motor's Auto Repair Manual; Member of the Wedding, McCullers; Bell, Book and Candle, Van Druten; All About Eve, Mankiewicz; Ring Round the Moon, Anouilh. The last four are dramas.

NEIL FERGUS INJURED IN CYCLE CRASH

Neil Fergus, 154 W. Sierra Madre boulevard, was reported "much improved" yesterday following a motorcycle accident on the Colorado Street bridge Thursday night.

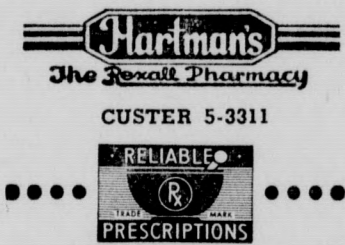

Fergus, 20, had been released from a Pasadena hospital Saturday after preliminary treatment. He was stricken again Tuesday, however, and was taken to Sierra Madre Hospital. Officials at the hospital said he probably would be able to go home today or tomorrow.

The local youth and five other motorcyclists—including Sierra Madrean Ted Matter—were proceeding west on Colorado after making the stop at Orange Grove. As Fergus turned onto the bridge he reportedly lost control and crashed into the curb.

Engagement of Alberta Meyers Told at Tea

The betrothal of Alberta F. Myers to Robert Clifford McBride, Jr., has been announced by her parents, Mr. and Mrs. A. S. Myers of Esperanza. The engagement was told at a tea given by the mother of the bride-to-be.

Miss Myers, a student at Santa Barbara College, University of California, spent a year in New York City following her graduation from PCC.

Mr. McBride, a son of Mrs. Elizabeth McBride of Beverly Hills and Clifford McBride of Flintridge, originator and author of the comic strip, "Napoleon," is taking graduate work in creative writing at UCLA.

The wedding date has been tentatively set for early July.

PHILADELPHIANS TO LIVE HERE

Mrs. Elizabeth Blazic of Philadelphia, Pa., came to Sierra Madre the first of May to make her home with her mother, Mrs. Mary E. DeBergh of 160 W. Highland. Mrs. Blazic has two children, Margaret and Elizabeth Nancy.

BIRTHDAY FELICITATIONS

Mrs. Arthur Severans was hostess to several guests Tuesday evening at the home on East Highland, honoring Mr. Severans' birthday. Dessert, demitasse and gifts registered a very pleasant occasion.

The California State Office of Civil Defense says: "Civil Defense is insurance. We hope we'll never have to use it, but it is best to have it. Our very preparation may preserve peace."

GARBAGE

pointed out that he did vote for the 3-cent raise several months ago, but that he "cannot conscientiously vote" for another increase.

"I see no guarantee that additional requests will not be made," he said.

Mayor Kinney stated that, as a taxpayer, he doesn't want to be overcharged, but is willing to pay what's necessary. He suggested that the "only fair thing to do" is to give Mrs. Matolan 6 cents more "to help her break even, anyway."

Mrs. Matolan had explained that Monroviaans are paying 50 cents a meter and Arcadians 75 cents for comparable work. City Attorney T. Guy Cornyn agreed that this was true.

Following the voting, Mrs. Matolan launched a vitriolic attack on the Council in general and Mr. Eaton in particular, to which Mr. Eaton answered:

"I don't have to take that as a Councilman. If this meeting is not brought to order, I'll see that other steps are taken."

After repeated urging by her son, Mrs. Matolan left the Council Chambers.

MENTAL STIMULUS

Columnist David Baxter says: "The old idea of handling drunks by chucking them in jail, sobering them, releasing them, and then arresting them, sobering them, and releasing them again is no good. It won't work. The alcohol problem is a serious one and getting worse. But running to the State to compel everyone to pay for an investigation of other people's weaknesses is a complete infringement upon the rights of the non-alcohol population. It is simply another variation of the Welfare State. They (politicians) should take a short cut by abolishing liquor. No liquor, no drunks."

ON THE DIAMOND

The Hinky-Dinks turned the tables on them thar Rinky-Dinks Saturday and evened up the series. With 5 innings of good pitching and some nice fielding the Hinky-Dinks held their opponents to 5 hits and 3 runs. Being somewhat better at the plate, the Hinky-Dinks hit the ball for 16 base hits and 9 runs to win the game. The boys are all showing great improvement with lots of pep and enthusiasm. The coaches were able to pick two pretty fair teams so far, yet some need more work. But no one position is ever cinched on a ball club.

If you work hard to improve and can take the job away from the other guy, it's yours as long as you can play better ball. The ballfield is no place to show favoritism, as good ball players are what we want, not just good friends. So let's try to be both good friends and good ball players. See you Saturday at 3.

ON THE FAIRWAYS

Due to the absence of Capt. Fred Krinke, who went to Las Vegas over the weekend, and Co-Capt. Geo. Larson who just went, (no one knows where) the local foursome was two golfers short Sunday. So the writer filled in for one or the other, (no one knows which). While playing, I was curious to see those sand mirages Jerry Fairfield referred to in last week's paper. And you can believe me, they were not mir-

ages, brother, that was sand. Andy Liscomb cooled off this week and carded 44-49 for 93. Valencia sand-trapped his way around in 46-47 for a 93, and a guy named Bill matched clubs with Andy at 44-49 for a 93. Ed Keating was commander of the divet diggers on hand, chasing the ball down for 41 strokes out and 45 in, totaling a nice 86 total for 18 holes.

The productions are to be given at Tujunga this week in the school auditorium.

PCC Defends Championship In Baseball

Defense of the Region I baseball championship of the National Junior College Athletic Association will be the next goal of Coach John Thurman's Pasadena City College Bulldogs. The third annual Region I tournament opens tomorrow, May 18.

Coch Thurman's squad ended the Western States Conference season with a nine won, one lost record to bring their total for four years of the conference's existence to a 42 won and 4 lost record. PCC has always been the conference champion.

In the first four rounds, three diamonds will be used so all games can be played simultaneously. These will be at PCC's Horrell Field, Santa Anita County Park, and Alhambra's Recreation Park. The final round will be played at PCC.

Foremen, except as otherwise separately classified, shall be paid not less than \$1.40 per day more than the daily rate of the highest classification over which they have supervision.

Provided that no less than one and one-half times the prevailing rate shall be paid for any working time more than eight hours during any one calendar day, and for time on Saturdays, Sundays and the seven legal holidays, to-wit: New Year's Day, Memorial Day, Fourth of July, Labor Day, Armistice Day, Thanksgiving Day and Christmas.

Provided that, notwithstanding the general provision contained herein, Flagman, Guards and Watchmen shall be paid one and one-half times the prevailing rate for overtime (overtime shall be time worked in excess of eight hours per day or forty hours per week), and the straight prevailing rate for time worked on Saturdays, Sundays and holidays where such time does not constitute overtime.

The foregoing prevailing wage schedule is based upon a working day of eight hours and in the event that laborers, workmen or mechanics are employed less than eight hours per day, the rate of per diem wages shall be deemed to be that fraction of the foregoing rates that the number of hours of employment bears to eight.

The rate of compensation for any classification not listed in the schedule, but which may be required to execute the proposed contract, shall be commensurate with and in accordance with the rates specified for similar and comparable classification or for those performing similar or comparable duties.

The time within which the aforementioned work must be completed by the Contractor undertaking same has been fixed at sixty (60) days from and after the date of execution of the contract agreement, excluding Sundays and holidays.

It shall be mandatory upon the Contractor to whom a contract is awarded, and upon all subcontractors under him, to pay not less than said general prevailing rates of per diem wages to all workmen employed in the execution of the contract.

All bids will be compared on the City Engineer's estimate of quantities of work to be done.

No bid will be accepted from a contractor who has not been licensed in accordance with the provisions of Chapter 791, Statutes of 1929, as amended.

Notice is hereby given that proceedings for said work have been taken under and in accordance with Division 7 of the Streets and Highways Code of the State of California, designated and known as the "Improvement Act of 1911", and all acts amendatory thereof, and that bonds are to be issued to pay the costs and expenses thereof, as provided in said Resolution of Intention 1175, and in accordance with said Act.

Plans, specifications and proposal forms may be obtained from the office of the City Engineer, City Hall, Sierra Madre, California, upon a deposit of Five Dollars (\$5.00), which deposit is refundable upon the return of the plans and specifications at any time within ten (10) days from the date of award of contract.

The City Council reserves the right to reject any or all bids or to waive any informality on a bid, if said action is deemed to be advantageous to the City.

By order of the City Council of the City of Sierra Madre, contained in Resolution No. 1180, adopted on the 10th day of May, 1951.

Lawrence B. Brain,
City Clerk of the
City of Sierra Madre, California.

City Votes \$2000 More For Project

An additional expenditure of \$2000 was ordered last week for the city water project. Director of Public Works Glen Watson was authorized to use surplus dirt from the Baldwin avenue-Sierra Madre boulevard street improvement project and put it at the base of the dike proposed for the spreading grounds.

ALA Unit to Sell Poppies

In honor of the dead, and to aid the living, Sierra Madreans will wear red poppies next week.

Members of the Sierra Madre American Legion Auxiliary, under the leadership of Chairman Kitty Miller, will sell the poppies in memory of our war dead, on Friday and Saturday, May 25, 26.

Hand-made exclusively by disabled veterans of World War I and II, the poppies in many cases are the only source of income the men have. All contributions by the public are used exclusively by the ALA for the welfare of these veterans.

WINDSOR LANE PARKING CURBED

Additional parking curbs were taken by the City Council this week for Windsor Lane.

Having already designated the west side of the street as a "no parking" area, the Council's new ruling limits parking on the east side to two hours.

Pointing out that the restricted area will not actually solve the downtown parking problem, City Councilman Norman Eaton said the "only real solution is off-street parking."

The cars still will be parking, but farther from the business district and, possibly, less concentrated, he said.

Major Reavis Gets New Assignment

Major Henry C. Reavis, son of Mr. and Mrs. H. C. Reavis, 551 Sturtevant Drive, has been assigned to the operations section of the Langley Air Force headquarters tactical air command.

Major Reavis served in the European theater during World War II and flew 50 combat missions with troop carrier units. He was awarded the Presidential Unit Citation and the Air Medal with four oak leaf clusters.

He is married to the former Virginia C. Russell.

It's Almost Blood Bank Time Again

It's almost Blood Bank time in Sierra Madre. Mrs. Janet Wood, blood chairman of the local American Red Cross Chapter said the mobile blood unit will be at the Woman's Clubhouse from 3 to 7 p.m. on Wednesday, June 6.

All able-bodied citizens, ages 18 to 60, are asked to donate blood at that time. Mrs. Wood urged civic groups participating in the blood program to begin recruiting their members for donations.

"The need is great," said Mrs. Wood, "and more Sierra Madreans must give blood than last time if we are to meet the expanded military and civilian needs."

She said it is "notable" that one of the first things returning servicemen do is go to their nearest blood center and give some blood.

"They have seen their buddies' lives saved by blood," she pointed out. "But they are our buddies too. Let us do our part."

TREES HINDER

—From page one

ter to director of public works for investigation.

Councilman Henry F. Korsmeier suggested that the PE buses might stop across the street, past the intersections rather than before them. They would avoid the trees that way and, ordinarily, stopping beyond the intersection is less hazardous to traffic, he said.

Local Servicemen Have Reunion 6000 Miles from Home

Sierra Madreans got together last week for a reunion some 6000 miles away from home.

During his five-day rest leave from the Korean battlefields, Sgt. Norman Green, Marine airman, journeyed to Sendai, Japan, to visit with his former school mates and childhood pals—Sierra Madre men of the 40th Infantry Division.

Word of the unscheduled rendezvous came to Sierra Madre Tuesday in a letter from Jim Davis, one of the former National Guardsmen now training in Japan.

Pioneer Days Climaxed for Another Year

Another Sierra Madre Pioneer Days celebration passed into history Saturday night after four days of fun-making centered around the Midway carnival.

Pioneer Days Committee members of the Lions Club reported a "big night" Saturday with several hundred Sierra Madreans patronizing the Martin Shows booths and rides.

Larry McGinnis, in charge of youngster contests and games Saturday afternoon, said many boys and girls took part in the fun. He singled out the pie-eating contest as the "most popular."

Lions Club officials admitted that the community dance on Wednesday night was not as well attended as they had hoped. Those present, however, enjoyed the dance music of Stan Kellogg's band.

Winners in the costume and dance contests were announced by Al Feadler as:

COSTUME CONTEST: Elsie Higgins and Ralph "Pappy" Welch, man and woman; Diane Wilson and Tony Rudbach, boy and girl.

Woman Hits Destruction by Sign Agencies

Sierra Madreans were urged to act this week in protecting the natural beauty of land adjoining the county's new freeways.

Making the appeal was Mrs. Colin Timmons, 49 W. Orange Grove, who said some billboard sign companies are wantonly cutting down trees and shrubs to make room for their signs.

"In one night," Mrs. Timmons reported to the Garden Club Monday, "a company surreptitiously topped all the trees in front of its signs along one of the super highways."

She said an official in Sacramento has suggested that Southland citizens protest to Roger Jessup, Los Angeles County Supervisor, Hall of Records, LA, in an attempt to stop this destruction.

District Plans Council Fire

Members of the district council and the leaders' association of Sierra Madre Camp Fire Girls held a joint meeting last week at the home of Mrs. William Galloway.

Final plans were made for the Spring Council Fire, to be held at Pritchard Hall Friday, May 25, at 7:30 p. m. Mrs. C. L. Young, district president, said many major awards will be presented during the evening, as well as the announcement of promotions in all groups.

This is one of the two public council fires held during the year by Sierra Madre Camp Fire Girls, and everyone is invited, Mrs. Young said.

TRAVEL FILM SERIES LISTED

Valley residents will be able to "winter" in many parts of the world by way of the color camera during the coming season.

Lorne B. Pratt, manager of Mission Playhouse in San Gabriel, this week announced the slate of World Adventure color film travelogues which will begin in October with "Guatemala" by Clifford Kamen.

The other six films of the series are "Pacific Northwest" plus the 1951 Tournament of Roses film by Stan Midgley; "Austria," by Karl Robinson; "Rolling Down to Rio," by Curtis Nagel; "Denmark and Sweden," by Herbert Knapp; and England and Wales, by Hal Linker.

Season ticket holders of the past year should renew their seats by June 1, Mr. Pratt said.

uphold the ethical responsibilities set forth by this Code.

It is my belief that the "scientific method" of assembling all evidence both positive and negative then evaluating it from an unbiased viewpoint, should be the pattern followed before decisions are made. If the members of this community elect me to represent them, I will expect each parent and non-parent to voice his opinions concerning decisions and policies set forth by the Board. It is the individual responsibility of every person in Sierra Madre to participate in the education of today's child. He will be tomorrow's citizen.

James Appointed To Full Term On Commission

Charles James was appointed to a four-year term on the Recreation Commission by the City Council last week.

Mr. James had been serving on the commission since last year when he was appointed to fill the unexpired term of Frank Vane.

The Council heard a protest from the Civic Club Thursday night, regarding the proposed ordinance under consideration to abolish the recreation commission.

Councilman Alexander Black explained that there still is to be a meeting to discuss the recreation set up with representatives of the state and county. This meeting will be held before any action is taken on the proposal to kill the ordinance under which the commission exists, Mr. Black stated.

Co-operation

History shows us that co-operation was the basic structure on which was founded this greatest of all nations—the United States of America. It was the pulling together toward a single objective of the 13 original colonies that brought it into being. And it was through the spirit of co-operation of the 48 sovereign states that it attained its present pre-eminent structure.

It is this same spirit of co-operation that we extend to our customers, to work with them, in the solution of their home financing and savings problems.
